

Summerfield Township  
Bid Solicitation

Summerfield Township is seeking sealed bids for farming approximately 67 acres of land on Ida West Road, adjacent to Pleasant View Cemetery. This bid is for three growing seasons 2025, 2026 and 2027. There is a special bid consideration that the township reserves the right to withdraw all or part of the Leased Property from the lease in the event the Township rezones any portion of the Leased Property from Agricultural to Industrial. In the event the Township rezones any or all of the Leased Property, effect on January 1<sup>st</sup> following the date that the rezoning is approved, this lease will terminate as to that portion of the Leased Property that is rezoned. Further, in the event any portion of the Lease Property is rezoned and withdrawn from this lease, the annual rent for the property will be reduced by the number of acres that are rezoned multiplied by the per acre rental rate.
